Content Review

- ☒ Platform name is consistent
- ☒ Navigation labels are consistent
- ☒ Login terminology matches
- ☒ FAQ reflects latest platform features
- ☒ About page messaging aligns with Splash page
- ☒ Button labels are consistent
- ☒ Grammar and spelling reviewed
- ☒ Mobile and desktop content match

Summary

I went through the main pages of the platform to make sure everything was consistent and up to date before launch. I checked the Splash, Login, About, and FAQ pages for things like wording, navigation, button labels, and overall consistency.
